Maui Races Will Draw Big Crowd To Kahului

Inter-Island Makes Special Rate for Big Race Meet on Maui—Steamer Kilauea Leaves December 31 for Kahului, Returning January 2—Roping Contest Will Be Big Feature of Program—200 Honolulu People Expected to Attend Valley Isle Show

Those who have attended a round-up, a rodeo or a frontier day celebration will have an opportunity of watching a real wild west roping contest on Maui on New Year's Day when Eben Low, alias "Rawhide Ben," meets Angus McPhee in the big roping match which will be the feature event of the New Year's race meet.

Angus McPhee was at one time one of the heroes in the frontier day celebrations at Cheyenne and still holds the world's record in roping which he made in Wyoming in 1907, his time being 32.5 seconds. "Rawhide Ben" holds the one-armed record for tying a steer, and the two contestants will surely furnish amusement for the spectators as the match is for \$250 side bet.

Many Honolulu people are expected to attend the races as a \$10 and \$5 round-trip rate to Kahului has been secured. The Kilauea will leave Honolulu, arriving at Kahului Saturday morning, January 1; returning the steamer leaves Kahului at 11 o'clock Sunday night, arriving at Honolulu on Monday morning. 16.—CALF-BRANDING CONTEST. A roper is not allowed to catch the calf, but must make a clean round-the-neck-catch and throw his calf by dismounting from his horse; no twisting of the neck allowed; roper must tie his calf and proceed to the branding-fire to get his branding iron; man who brands his calf first wins. Entrance fee \$2. First prize \$10; second, \$5; third, \$2.

17.—This event will be a roping match between Eben Low, alias "Rawhide Ben," who now holds the one-armed record for tying a steer (1 minute 6 seconds, made in Hilo, February, 1908), and Angus McPhee, who still holds the roping record of the world (35.5 seconds, made at Cheyenne, Wyo., in 1907, and since then lost his arm). The match will be for \$250 a side; the winner also takes the other man's horse, saddle, bridle, rope, spurs and hat, this being an old custom that prevailed among the Western cowboys many years ago. At that time it was a sign of good sportsmanship for the loser to give the winner those articles. The loser is not compelled to give up the articles, but the winner is obliged to take them if they are offered. The races will begin at 9 a. m., sharp.

All entries close December 20, 1915, and must be accompanied by entrance fees. Entrance fees in all horse races to be 10 per cent of the purse. Entries to be posted with A. McPhee, who will also furnish any further information on request.

CLUB LEAGUE CLOSING FIRST SCHEDULE IN BASKET-BALL SERIES

Y. M. C. A. CLUB BASKETBALL LEAGUE.

	P	W	L	Pct.
P. B. C.	3	2	1	.667
H. A. C.	3	2	1	.667
Service	3	1	2	.333
Night School Club	3	1	2	.333

Last Night's Match:
H. A. C. 6, Service Club 5.
Night School Club 13, P. B. C. 9.

The club league finished its first round in the Y. M. C. A. games last night with two fast and interesting games of basketball last night.

The H. A. C. came from behind and took the first game from the Service Club in the closing minute of play. A field goal by Ebersole tied the score at five all and when Rose fouled at the toss-up at center, Graham scored the free throw which won the game.

Up to this point the score was all in favor of the Service, pretty baskets by Captain Fagg and Williams having given the army men the lead 5 to 2. The first half ended 2 to 1 in favor of the H. A. C. close guarding on both sides having kept the score down.

The second game was also hotly contested. The P. B. C. led 7 to 6 at the end of the first half. It was 7 all when Kalai scored on a free throw. Melim made a long one-handed shot that put the P. B. C. in the lead 9 to 7. Then Hampton scored on another long throw, tying the score. Quick baskets by Dunn and Kalai in the last two minutes of play gave the Night School Club a victory.

The next club league games are scheduled for January 7 and the teams which are closely bunched will practice up during the holidays. Last night's lineup and scores:

H. A. C. 6—Left forward, Graham; right forward, Smith, Ebersole; center, Ebersole, Whitcomb; right guard, Brown; left guard, Higgins.

TRAVELERS TO PLAY 25TH TEAM TODAY AT ATHLETIC PARK

When Henry Chillingworth in a high-pitched voice calls out to the assembled throng this afternoon at 3 o'clock at Athletic Park, "Play ball," the fans will sit back and wait for the turn of fortunes. There has been rivalry of 57 different kinds between the Travelers and 25th, and the fans are beginning to believe that there will be a battle royal when the teams line up this afternoon.

Lal Tin claims that the Travelers will down the Schofield team while Wyman has the other idea. The statement that the Travelers have the best infield has caused the 25th team to get up in the air and they are going to prove it this afternoon according to the statement of the boss, Jasper, or Waterhouse, may mount the hill top against the Travelers, while Rogers will be behind the plate if Wyman does not decide to send him on the mound. Kekoa or Moriyama will be in the box for the Travelers.

SHUMAN WAS THE MAN.

The article published in the Honolulu Star-Bulletin of December 11 in which it was stated that the boxer opposing Rufus Williams was Joe Fotts was an error. The boxer who appeared in the ring at the time the picture was taken was Private Shuman of Company H, 2nd Infantry, Fort Shafter.

WAR DOES NOT STOP SPRINTING.

In spite of the war there is a remarkable interest in professional sprinting in some parts of England. In a recent 120-yard handicap at Newcastle-on-Tyne there were 238 entries, necessitating 30 preliminary heats. A 90-yard handicap at Audenshaw drew about 200 entries.

Vice-President H. R. Eldredge of the National City bank, New York, died of heart disease at Potosi, Bolivia, where he went on business for the bank.

Hampton; right guard, Cummings; left guard, Berry.

P. B. C. 9—Left forward, Azevedo; Santos (captain); right forward, Melim; Barbosa; center, Barbosa, Melim; right guard, F. C. Soares, O. P. Soares; left guard, Santos, Azevedo.

Goals from field: Dunn 4, Kalai 1, Hampton 1, Barbosa 3, Melim 1.

Fouls thrown: Kalai 1, Barbosa 1.

Fort MacDowell	931	844	900	2675

A Marconigram from Fort MacDowell this morning brought the welcome news that the Honolulu bowlers had won another match in the coast league. Fort MacDowell bowled in fine form and won the third game by 18 pins.

Everything else went to Honolulu. The first game was a beauty. Four of the Honolulu men went over 200 while Fort MacDowell made 931 against 995 for the locals. In the closing contest the Honolulu Y. M. C. A. fell below 900 and dropped the game. Total pinfall gave the islanders the victory 2802 to 2675. This makes Honolulu's record 14 won and 2 lost to date, with a percentage of 87.5. The next match is against Sacramento, the strongest team in the league, in their opening match. This is scheduled for January 7 and the Honolulu men to qualify are Rasmussen, Benson, Goebig, Soares and Chamberlain. Last night's scores:

ACCEPTS INVITATION

ROME, Italy.—King Victor Emanuel notified the American ambassador, Thomas Nelson Page, of his acceptance of the Ambassador's invitation to become a patron of the Italian branch of the American Relief Clearing House.

\$1000 Foursome Postponed.

Alex Smith and Gilbert Nicholls will not play that \$1000 match with Michael J. Brady and Walter C. Hagen this season, the time being too late and the condition of the courses not up to midsummer standard. It is expected that the big clash will come off early next spring. Brady and Hagen accepted the challenge of Smith and Nicholls to a home-and-home match.

Isn't it funny how these New England League moguls figure it out that a class A circuit will be a financial success? Hard to get the drift? When a heap of money was lost on the cheaper brand of ball, how is a higher league with its subsequent higher expenses going to be a money maker?

The British steamer Oakfield, West Hartlepool, England, for an American port, was reported to be in distress 600 miles southeast of Cape Race, N. F.

Prexy Finals On Sunday at Country Club

Driver, brassie, mid-iron and putter will be among the instruments of torture used tomorrow morning at the Oahu Country Club when C. G. Bockus, Capt. C. S. Lincoln, Lieut. Col. Archibald Campbell and Maj. T. N. Horne will play over 36 holes to decide the winner of the president's trophy.

The players will drive off the first tee at 10 o'clock tomorrow morning and a large number of spectators will follow around the course. At the 19th hole the opinion appears to be about evenly divided as to which golfer will turn in the low score. Predictions are made around the club that the low score will be under 170.

Honolulu and Schofield officers will hold an interclub tourney on Sunday on the same course. The Honolulu officers have not yet received the names of the contestants from Schofield, but the army men have a number of good men who know the royal and ancient game and close competition is expected.

FIVE BIG STARS FROM ORGANIZED BALL FOR GANZEL

Brookfield Boss Lands Pick, Whitman, Lalonge, McCarthy and Erickson

John Ganzel, manager of the Brooklyn Tip Tops, who is now in Honolulu visiting relatives, announced yesterday afternoon that five of the best players in organized baseball would wear Brooklyn uniforms next season. This announcement coming at this time, when the powers that be are making peace advances, will surely stir up matters in organized ball.

When seen yesterday afternoon Ganzel was asked regarding the eight players he was supposed to have signed for next year. Ganzel said: "I have signed several players for next year who were stars in organized ball last season, but as yet have made no announcement of the names. When asked if Luque, Rath, and Hoelke were on the list, he said: "They are all mighty good players. What about Whitman, the star of the outfielders in the international last year?" he was asked.

Five Stars Picked.
"Well, inasmuch as I started base ball here and made good right off the jump, I might as well give you the first story. Here they are: G. Whitman, Montreal; Charles Pick, Richmond; "Mickey" Lalonge, Buffalo; E. G. Erickson, Rochester, and Joseph McCarthy, Buffalo. Now you have five players who will be with the Brooklyn Federals next year."

This announcement means that Ganzel will have practically a new infield next season. The present outer garden trio of Kauff, Anderson and Cooper was the best outfield in the league last year, but all were left-handed hitters. Whitman, who is a right handed hitter, will fill in nicely when the scouthpaws are working. Whitman hit .312 last season for Montreal. Magee On First.

Ganzel stated that he would have Magee on first next season and it is almost certain that the new infielders, Pick and McCarthy, will be seen in the infield when the season starts. Pick had a batting average of .291, and stole 27 bases last year. He was one of the leading third sackers of the international league. McCarthy of Buffalo had a good year, and as Ganzel knows his worth as a second sacker, it looks like the Buffalo man for Helfrich's job.

Erickson was one of the leading pitchers of the year in the international, and as Ganzel was manager of the Rochester team for most of the year, he knows that the Rochester pitcher will make good. "Mickey" Lalonge, who played on the coast and later went to the Buffeds, is the catching selection picked from the international. Lalonge hit .288 last season, and was one of the headiest catchers of the year.

When asked regarding Nash, the nifty short-fielder of the Montreal team, Ganzel said: "Nash is a nice player; so is McTigue of Toronto, but Hughie Jennings landed the Toronto pitcher; but I am sure we have got the best in the international."

Ganzel stated that he would leave Honolulu some time before New Year. He leaves for Hawaii on Wednesday, accompanied by Mrs. Ganzel, Mrs. Fred Ganzel and Fred Jones.

A. P. Taylor Tells of Bjurstedt-Bundy Match

Promotion Committee Secretary Witnessed Great Tennis Match Between Molla Bjurstedt and Mrs. N. Bundy (May Sutton) at Long Beach—Ex-Champion Returns to Form and Defeats Norwegian Star in Two Sets—Mary Browne and Florence Sutton Play Exciting Match on Same Day

"Tennis at its zenith is the only way I can describe the match held on the Hotel Virginia courts at Long Beach, Cal., on Thanksgiving day, between Miss Molla Bjurstedt and Mrs. May Sutton Bundy," said A. P. Taylor, secretary of the Hawaii Promotion Committee, yesterday.

"It was my privilege to witness not only the Bjurstedt-Bundy match, but also a game between Miss Mary Browne and Florence Sutton an hour later. I have seen a good deal of tennis and used to play it a good deal myself years ago, but I never saw any tennis-court work such as was put up by those four young women. The Hotel Virginia courts are admirably located and completely surrounded them were tiers of seats, a large proportion being the bleacher benches, one side only being devoted to boxes, which were canopied over the spectators.

"Miss Bjurstedt, the Norwegian champion, who beat May Sutton at the Panama-Pacific exposition several weeks before, came upon the courts as the acknowledged woman champion tennis player of the world. However, May Sutton, as everybody speaks of her, although she became Mrs. Bundy a couple of years ago, was the idol of all California, but particularly of southern California; but there was a general question of whether May Sutton could come back. It seemed doubtful.

"But the moment the first ball was served over the net it was seen that May Sutton was about ready to come back into the champion class. Miss Bjurstedt, who had found May Sutton weak in the back strokes in the San Francisco match, attempted to follow up that same seeming advantage. To the surprise of everyone, however, May Sutton was even better in her back-hand stroke than in the forehand, and in fact there was no weak spot in either her defense or offense.

SPECIAL RATE SECURED FOR SCHOFIELD CONTEST

Manager Fred Wickham and Captain Bill Rosa announced today that the National Guard team will place their full strength in the field tomorrow when they meet the first 25th Infantry team on the Schofield grounds.

Most of the players are in excellent condition for a grueling battle, and despite the stories coming from Schofield that the 25th Infantry is sure of victory, the Guard squad are going into the game to win, and they believe that the 25th Infantry eleven will be soundly defeated.

Much interest is being taken in the coming contest and a large number of rooters will accompany the team. The members of the team have made arrangements with the Young Hotel and Stand to make the trip and a rate of \$10 for the round trip for six persons will be made. The cars will leave the stand at 1 o'clock tomorrow, arriving at Schofield in time for the game, which begins at 2:30.

COLLEGES MAKE NO CHANGE IN ROWING

Rowing authorities in charge of the Poughkeepsie and New London intercollegiate regatta state that there will be no change in the program for the 1916 races either in the colleges represented or in the distance of the contests. Yale and Harvard will meet in their annual four-oar eight-oar race on the Thames on Friday, June 23, while the Poughkeepsie regatta will be held on Saturday, June 27.

Cornell, Pennsylvania, Syracuse, Columbia and probably the winning college crew in the Pacific Coast intercollegiate regatta will make up the field. The officers of the intercollegiate Rowing Association state that they are not affiliated with the American Intercollegiate Rowing Association, which is working for an intercollegiate regatta along the lines of the English Henley.

GOULDING ACCUSED OF ACCEPTING \$155

NEW YORK.—That heinous crime charged against George Goulding, the world's premier walker, is that he accepted \$155 as his expenses for competing in the recent seven-mile walking championship at New Brunswick, N. J.

Lester C. Stevens, who managed this meet, asserts that he paid the Canadian that amount, which he gave to competitors from New York city. If William H. Parry has any further evidence tending to class Goulding as a professional he did not disclose it and friends of the champion walker of the world are confident that any investigation into his amateur status will redound to his credit.

THE BROWN EXPORT CO.

Dep't 16, 74 Cortlandt St., New York, N. Y.

The ball was racketted back and forth over the net sometimes 12, 15 and 20 times, an unusual performance. The long stretches of playing sometimes brought the spectators to their feet.

Plays Careful Game.

"While Miss Bjurstedt played the ball first to one side of the court and then to the other, and which May Sutton was able, easily, to return either backward or forward, the California woman kept Miss Bjurstedt continually on the run back and forth across the court, thereby tiring her.

"Occasionally May Sutton, if a ball was kept under way for some time, and finding it was being returned a trifle out of her reach, purposely let it go by without retrieving it. Her generalship in this instance was good, for, by losing that one point she did not tire herself and was able to make good on the next play. Had she tired herself she might have lost two points.

Sutton-Browne Match.

"In the following sets between her sister, Florence Sutton, and Miss Mary Browne, the latter appeared at first to overwhelm Miss Sutton. She won the first three games so quickly that the spectators hardly seemed to understand the annihilation of time. Miss Sutton, however, steadied down in the next game and won six straight games, winning the set. The next set was won just as handsily. Miss Browne was considered one of the best players in the country.

"While the men's matches constituted a series of amuses, with the ball seldom returned over the net more than three or four times, and terrific lobbing and volleying, the women's games were more clearly cut and the science of keeping the ball in motion seemed to have been absolutely solved by them."

What healthy Nerves Mean to You

A strong, vigorous nervous system means health, strength and ability to endure hardship and also to enjoy the full pleasures of life. The man with healthy nerves accomplishes greater tasks with less fatigue. He has a clear eye, an active brain and a sound
